

MAIA LUXURY RESORT & SPA, SEYCHELLES THE FULLY INCLUSIVE EXPERIENCE

Those wishing to switch off completely and enjoy unrestricted, unlimited dining and refreshments throughout their stay, as well as yoga and massage, can now check into Maia and enjoy a **Fully Inclusive Experience**.

Frederic Vidal, general manager of Maia, says "We are introducing an all-inclusive option at Maia so that guests can truly relax and not feel limited in any way during their stay. Fruit platters, smoothies, refreshments, à la carte dining in Tec Tec restaurant – all can be enjoyed without a price tag attached."

Stuffed baby squid with wild rice soufflé; Spicy octopus and scallop curry; Wagyu beef with truffled potatoes...no dishes are excluded from the fully inclusive package – be it dining in the Tec Tec restaurant or enjoying pool side prawn tempura and sushi. With the exception of a few very rare and extremely high end labels, unlimited soft and alcoholic drinks are included, as well as:

*Accommodation in a one bedroom villa with outdoor gazebo and day-bed, private infinity pool
with sunken double bath and private butler service
Return airport transfers
A jetlag massage upon check-in
Daily morning Yoga, self-shiatsu and qi gong sessions
Laundry services
Internet and WIFI connections and a daily newspaper of choice*

Definitely time to leave the credit card at home...
